Lighthouse

Parenting children is not an easy task. It comes with hard work and many challenges. Raising five very unique and strong-willed girls adds its own difficulties. Still, the Bible teaches us that children are a blessing! We can definitely testify to this as we watch our girls grow into the women God made them to be.

This term was filled with hours of driving for gymnastics practice and competition. Dedication and diligence resulted in a silver medal at the Artistic Provincial Championships. What a blessing to see how she exhibited the talents God gave her! We know that God has such amazing plans for her life.

Time is flying by so fast. Please keep our oldest daughter in your prayers as she works hard towards graduating. We feel blessed to be part of the preparation stage of their lives!
